

Mellow Yellow Pressed Setting Powder (Banana Powder)

Made with Natural Ingredients that are also 75% Organic -
Gluten Free/ Vegan/ Non-GMO

The missing piece! Dull and uneven complexion? We've got your product!
Our naturally formulated Prep & Set Mellow Yellow Powder can be used to set
makeup and provide an all-over brightening effect, particularly under the eyes.

KEY BENEFITS:

Color and Texture: A pale-yellow pressed powder with a silky, lightweight finish that blurs imperfections and creates an even, matte finish.

Application: Ideal for setting concealer and foundation; it can be applied with a brush or blender sponge.

Ideal For: All skin types! It will have you glowing from within while keeping your look flawless And fresh!

KEY INGREDIENTS:

**Oryza Sativa
Rice Powder**

Absorbs excess oil. Leaves a smooth, matte finish.

**Camellia Sinesis
Green Tea**

Rich in antioxidants and inflammatory properties.

**Aloe Barbadensis
Leaf Powder**

Helps calm skin and prevents skin irritation.

Silica

Blurs fine lines and creates a soft-focus effect.

**Tocopherol
(Vitamin E)**

A powerful antioxidant that helps protect skin from environmental stressors.

Kaolin

Smooths and evens out skin tone.
